RACE COURSE

COURSE MAPS

<http://rev3tri.com/westfields/course-maps/>

When exiting the swim stay to the left on the way into transition. During all portions of the bike, athletes should stay to the right to allow passing and to avoid collisions. When exiting transition after finishing the bike, stay to the left until you are on the run course (path behind Cub Run RECenter). When on the run course athletes should stay to the right.

COURSE DESCRIPTION

SWIM

The swim is 250 meters. The swim start will be at one end of the pool. Swimmers will enter the pool one-by-one at 5 second intervals. Swimmers will swim one length, touch the pool wall, go under the lane line into the next lane, and then swim another length in the other direction. Swimmers will continue to 'snake' their way back and forth across the pool and exit the pool on the opposite side of the pool. Swimmers will then proceed to the transition area to begin the bike leg. Swimmers should stay to the right while swimming to allow passing on the left. Swimmers are allowed to hold onto the wall as well as the swim lane dividers if needed to rest. You may bring shoes to the pool to use to walk from the pool area back to the transition area. Flip turns are NOT allowed during the swim.

BIKE

The bike portion is 12 miles. When you leave the Rec Center parking lot, turn right on Stonecroft Blvd. You will turn right on Conference Center Drive (Inner loop) continuing around to Lee Rd. Turn left on Willard (staying in the right hand lane). Turn right on Stonecroft Blvd. Turn left on Autopark Circle. Continue around the circle and return back to Stonecroft Blvd towards CubRun RECenter. Athletes will complete two (2) laps on the bike course. The roads should be in good shape, but please watch for pot holes and road debris along the way. Bike helmets (with helmet strap secured) are required at all times while on the bike.

RUN

The run is 3.1 miles. The majority of the run will be on paved paths behind Westfield High School and the Cub Run Rec Center. There are a few short areas that are unpaved. The run is a loop, so there will be runners in both directions. Always stay to the right on the path. There are two turn-around points (one on Stonecroft Blvd and the other behind Westfield High School near Old Lee Rd). The finish line is in the Cub Run Parking lot.

TRANSITION AREA

The transition area is located in the CubRun REC Center parking lot.
