

SPECTATOR GUIDE

We all know that spectating is a sport of its own! While your athlete is out there racing, you are charged with tracking them, being at the right spot to cheer them on (at just the right time), meeting them at the Finish Line (and running down the chute together!) and keeping any other family members/friends in tow! This Guide should help make YOUR weekend more enjoyable.

Here are some things you need...

Use the code: **rev2017** for discounted park tickets online at Discounted Park Tickets: <http://www.quassy.com/buy-amusement-park-tickets/buy-daily-tickets/>

EXPO VENDORS/ FOOD & DRINK

Food is available for purchase at the Quassy Amusement Park all weekend long. You don't need to pay admission to the park in order to purchase food. Here is a link to the food options:

The Quassy Restaurant is open on race mornings and has coffee & breakfast items for sale.

After the race, REV3 hosts a Backyard BBQ for the athletes. Spectators will have the ability to purchase the same food. There will be spots around the expo for you to relax and enjoy your meal together.

INSPIRATION STATION

WHEN:

Friday	4:00pm-6:00pm
Saturday	11:00am-6:00pm
Sunday	10:00am-2:00pm

WHERE:

Inside the Rev3 Expo area

Come to the Inspiration Station to make posters and a personalized note to be placed at your athlete's bike overnight for a special surprise on race morning. The Inspiration Station will also be home to our Kids Inflatable Obstacle Course. A weekend pass to the inflatable is only \$1. We will have staff and volunteers to monitor the area, but cannot be responsible for unsupervised children.

RACE DAY PARKING

There are four great places to park on race day.

- **The Quassy Amusement Park** - This parking lot will fill first and very quickly (usually within an hour of transition opening)
- **Baseball Fields** (across the street from Quassy Amusement park)
- **Timex lot** (555 Christian Rd, Middlebury, CT 06762-3206)
Timex headquarters is located on Christian Rd, 1-mile away from the park.
- **Pomperaug High School** (234 Judd Road, Southbury, CT 06488) Two miles from Quassy.

Shuttles will run on Sunday Only from 7:00am to 8:30pm offering rides to the expo but will not go to Timex until the baseball field lot is full and not to the High School until Timex is full. NO BIKES will be allowed on the shuttles.

TRANSITION AREA

Located in the Quassy Parking Lot

This is a great spot to see most of the action. From here you will see your athlete come out of the swim and head out on the bike. You will then see them return from the bike and head out on the run. The Finish Line is only a short walk from transition and so everyone will be able to get down there to see their athlete finish!

SWIM

The Swim starts on the Beach at the Quassy Amusement Park. Spectators will have easy access to a view of the entire swim.

BIKE

Just outside of transition gives you a chance to see your athlete coming and going.

RUN

For both races check out the Rev3 Cheer Zone at the "Bermuda Triangle" - corner of Old Woodbury Road/Judd Hill Road - which is Mile 1 and Mile 5 of the Olympic run and Mile 6 and 12 of the Half. This area is a short 1 mile walk from the finish area and you can cheer on the runners as you head down there.

****As always though, transition and the finish line is where you will find all of the action with our announcers and rocking music!**

FINISH LINE

Located in in the field at Quassy Amusement Park (next to the Wooden Warrior Roller Coaster). We encourage you to wait for your athlete at the top of the finish chute and run across the finish line with them! Be sure to stay clear of any other athletes as they cross the line too! All athletes will get a FREE Finisher's photo, so practice your smile and get in on the action!

ATHLETE TRACKING

QUARQ REAL TIME TRACKING

Want REAL TIME race tracking on your athlete? Have them reserve their Quarq Collector NOW. For just \$25, you can keep track of their minute by minute location on the course along with their speed/pace so you know EXACTLY when you need to be at that special location. The athlete wears a small tracking unit and then shares a tracking website that allows you (and anyone you want to share the online link with) to keep an eye on their real time progress from any smart-phone, tablet or computer.

REV3 RESULTS

You can also keep track of your athlete on the REV3 official timing system. This will update when your athlete crosses a timing map at a few specific locations around the course. (please note, this site will not be Live until race day)
